<i>Calling All Angels</i> asks us to contemplate what would change in our relationships, vocations, congregations, and communities if we have the courage to overcome our fears like Mary, Joseph, Zechariah, and the Shepherds. The book provides a wealth of resources for group study and worship for the Advent season, including: weekly studies; discussion questions; daily reflections; worship resources; and an uplifting music playlist to accompany you through the Advent season. Video chapter introductions from the author are also available.	Advent is a season of preparation that takes time and care. In <i>Stay Awhile</i> , Eidson presents a banquet table of inspiration for Advent, including weekly reflections, brief daily devotions, and ideas to involve the whole congregation. Congregational resources include liturgies, sermon starters, children's moments, and even a no-rehearsals-needed Christmas pageant. You can also use video introductions for each session from the author to inspire your individual or group study.	<i>Holy Disruption</i> presents a fresh understanding of the holiness of Christmas grounded, not in a conventional cozy Christmas message, but through Mark's disquieting gospel, which invites its readers to experience God's disruptive but transformative love for us and our world. Free images and guides designed to enhance your Advent study and worship are available at www.wjkbooks.com/HolyDisruption	In this daily devotional for Advent, Christmas, and Epiphany, Jill J. Duffield draws readers' attention to ten ordinary objects that appear in the biblical narratives of messianic prophesy and incarnation. Each daily devotion features a Scripture reading, prayer, and reflection, reminding Christians that God still dwells among us, even in the most ordinary places. Free images and guides designed to enhance your Advent study and worship are available at www.wjkbooks.com/AdventInPlainSight	Mindful of the stresses of life today in a world torn apart by conflict, marked by political division, and in the midst of a global health crisis, these devotions for Advent and Christmas invite readers to honest reflection on the challenges of being people of faith in this moment. Long and McCray explore what it means to wait for our salvation, to be open to the surprising thing that God is about to do, and to find hope in God's choice of the small and the insignificant.	These forty stirring devotions will guide and inspire readers as they move thematically through the weeks of Advent and Christmas. Supplemented by an informative introduction, short excerpts from Bonhoeffer's letters, and passages from Bonhoeffer's Christmas sermons, these daily reflections are timeless and moving reminders of the true meaning of Christmas. Now repackaged in a beautiful hardback edition, it makes the perfect holiday gift.

The magnitude of our weary world weighs on our hearts and minds. In <i>A Weary World</i> , Escobar provides twenty-eight daily reflections paired with prayers and practices to honor our struggles during the holidays. Weekly resources make this Advent devotional suitable for group study as well. To help churches who wish to use this book as part of group study or worship services, the publisher has created a digital resources packet. You can download this packet for free at www.wjkbooks.com/AWearyWorld .	How might a house look for Christmas based on what each Gospel says about it? In <i>Christmas in the Four Gospel Homes</i> , beautiful illustrations from architect Kevin Burns reimagine each of the four Gospels as a "house," which the church visits at Christmas. In each section, Cynthia M. Campbell reflects on the distinctive perspective of the birth of Jesus or the incarnation offered by each Gospel. Perfect for individual or group study.	The enchanting themes of C. S. Lewis's <i>The Lion, the Witch, and the Wardrobe</i> fit naturally into the Advent season. These twenty-eight devotions alternate between Scripture and passages from the novel to prompt meditation on Advent themes. Each devotion also includes questions for reflection. The book also provides several resources for churches, including four sessions for small-group discussion and ideas for creating a "Narnia Night" for families.	To "prepare for Christmas" in our society is to be sucked into a vortex of indulgence, from decor to gifts to calorie-rich foods. The arrival of the Messiah, by contrast, is true abundance disguised by the impression of scarcity. This powerful devotional by best-selling author Walter Brueggemann includes daily reflections for Advent in order to invite us to see beyond the world's faux extravagance and realize the true feast laid out before us. Twelve prayers are also included for the twelve days of Christmas.	Valuable not only for their sublime musical expression, the African American spirituals give us profound insights into the human condition and the Christian life. Many focus on an essential scene of the Christian drama: the coming of God as the child in Bethlehem and as the liberator of God's oppressed people. In these devotions for the season of Advent, each devotion features the lyrics of a spiritual, a reflection on the spiritual's meaning, a Scripture verse, and a brief prayer.	In Isaiah 9:6, a divine utterance is given to us using four royal titles: Wonderful Counselor, Mighty God, Everlasting Father, and Prince of Peace. <i>Names for the Messiah</i> ponders each royal designation and how the people understood it then, how Jesus did or did not fulfill the title, and how Christians interpret Jesus as representative of that title. In this study, best-selling author Walter Brueggemann tackles the questions: "What were these expectations?" and "Did Jesus fulfill them?"

Preeminent hymn writer and liturgist Brian Wren offers a collection of worship resources suitable for use in a variety of worship traditions. These theologically sound and creative worship resources include orders of worship (liturgies) and worship elements such as litanies, calls to worship, thanksgivings, and affirmations of faith. All the worship materials are compatible with the Revised Common Lectionary, but can also be used in churches that do not use the RCL. Additional features include a Scripture index and a topical index listing items that can be used on other occasions during the church year.	This collection of carefully selected lectionary readings, poems, carols, prayers, and litanies will enrich the Christmas worship experience in the church and at home. The three main segments of this anthology follow the traditional sequence of the Christian liturgical year: Advent, Christmas, and Epiphany. With this resource, the hearths of homes can become altars, and the blessed season may be honored in holy tribute to the birth of Christ.	This resource is an all-in-one worship companion designed for those who do not follow the lectionary, or would like an alternative to the lectionary during Advent. Includes six thematically designed services for the four Sundays in Advent as well as Christmas Eve and Christmas Day. Four midweek services provide a supplemental study of John the Baptist to enhance the congregation's Advent experience. In keeping with other Feasting on the Word resources, the Advent Companion offers pastors focused resources for sermon preparation along with ready-to-use liturgies for a complete order of worship. All new material including hymn suggestions, Service of Hope and Healing, and children's sermons make this an invaluable resource for the Advent season.
