PRO TIP: Bundle Purchases to Save on Shipping

We hear from many customers concerned about shipping costs, and we completely understand. As a smaller organization, we don't have the bulk shipping discounts that large retailers like Amazon do, which means our shipping costs are simply higher. Also, we never charge more than what we're charged.

One way to make shipping more cost-effective? Bundle your purchases! Since the base shipping cost applies to every order, combining multiple items into a single purchase lowers the per-item shipping cost. With the everyday discount you receive on many books from PC(USA) Store, when you bundle your purchases, we think you'll find that your overall cost is lower than at other retailers.

MINISTERING DURING GRIEF

Beautiful and Terrible Things

A Christian Struggle with Suffering, Grief, and Hope

Christian M. M. Brady

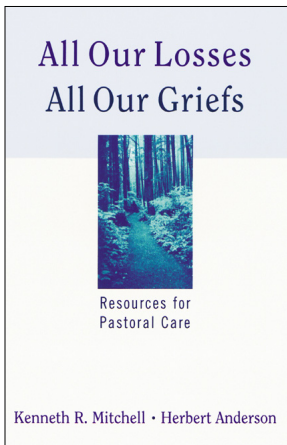

ISBN: 9780664266127

~~\$22.00~~ **\$14.30** You save 35% every day at PC(USA) Store!

With deep faith, knowledge of Scripture, and the wisdom that comes only from experience, Christian Brady, an expert on Old Testament lament, guides readers grieving losses and setbacks of all kinds in voicing their lament to God, reflecting on the nature of human existence, and persevering in hope. Brady finds that rather than an image of God managing every event and action in our lives, the biblical account describes the very real world in which we all live, a world full of hardship and calamity that often comes unbidden and unmerited. Yet, it also is a world into which God lovingly intrudes to bring comfort, peace, and grace. A [downloadable group reading guide](#) is also available.
