

Electronic Edition Permissions Requirements

This list summarizes the necessary permissions for use of the web and projection editions during in-person worship. For the hymns below, additional permission is required to 1) insert material from the web edition in bulletins, or 2) project material from the projection edition. Projecting from the web edition (during in-person or online worship) is not allowed. The copyright holders and corresponding licensing agencies, if applicable, are listed below. Please be aware that only the agencies can provide full details about the licenses they offer and rights holders can change their copyright policies at any time. If the hymn in question is not listed below, no additional permission is needed for use as described above during in-person worship.

To use copyrighted hymns during online worship, please obtain a license or permission covering podcasting or streaming. A link to our virtual worship guidelines is below.

[Please click here for virtual worship guidelines and information on use of the projection edition during online worship.](#)
