

Brian the Brave Puppets

HOW TO MAKE YOUR PUPPETS

Materials

- ☐ Printed PDF (in color)
- ☐ Nine wooden popsicle sticks or paper straws
- ☐ Tape
- ☐ Scissors

Directions

1. Print this PDF in color.
2. With the help of an adult, cut all nine of the puppets out along the dotted lines.
3. Place each of the cutouts face down (so that the white side of the paper is facing up.)
4. Lay a wooden popsicle stick or straw on top of each cutout. Position each stick/straw so the top of it is in the center of the cutout and attach with tape.
5. You're finished! Have fun playing with your puppets.
