Year B, Spring
First Sunday in Lent—Day of Pentecost

What you will find in *Joining the Feast!*

The Church Year Calendar

Describes the important church festivals and special days for the coming season. It provides theological reflections on their importance for the church's life and our own lives.

The Shape of the Season

Presents an overview of the focus scriptures for the weeks in the coming season. It discusses the biblical and theological significance of each of the passages.

Joining Worship and Learning: Making the Connections and Time with Children

A helpful feature in this section of *Joining the Feast* is the inclusion of the stories on the focus scriptures from the multi-age course. These stories can be used in the children's time during worship. Notice that some songs are used by several age levels but not in the same session. If you are interested in including a prayer, poetry, or artwork from an age level, speak with the leader in advance. May your congregational worship be enlivened by these suggestions to join worship and learning.

Joining Mission and Learning

Help the participants in the *Feasting on the Word Curriculum* connect with existing service opportunities in your congregation. Review this list, and offer suggestions to the leaders. Give this chart to the chair of the mission or outreach committee so that the work of the committee can be strengthened through the church school.

Litanies and Prayers

A selection of poetic prayers and responsive readings that helps worship leaders connect the church's educational and worship experiences to find fullness and blessing in the praise and service of God.

Children's Bulletins

A fun activity page is provided weekly to give children a sense of belonging and help them feel welcome in the worship experience. These special children's bulletins connect their worship experience to the education themes.

Joining the Feast

We invite you to “Join the Feast”!

Our exciting *Feasting on the Word Curriculum* offers great opportunities for the local church. Pastors, educators, and participants can experience the wonder of God’s nourishing word to us. For church schools, for study groups, and in preparation for teaching and preaching, the resources here will deepen and strengthen our faith. We have an amazing “feast” set before us! We desire and can find further understanding in our faith—of who God is and what God has done!

Joining the Feast helps pastors, educators, and worship leaders plan for education and worship. We want to assist in reflecting on how to incorporate scriptural and seasonal emphases across different parts of the church’s life.

Joining the Feast can be shared in education and worship committees. It enables important biblical themes to be integrated into the church’s study and worship experiences. A chart of suggestions for ways educational emphases can be used in worship is a feature of what follows here. Church school teachers can discuss these materials with each other to enhance education for all age levels in the church. Pastors who plan their lectionary preaching will find taking an overall look at this church season to be useful for their preparations. In all this, we want to join teaching and preaching. We want the church’s educational and worship experiences to find fullness and blessing in the praise and service of God!

An important goal for pastors and educators in the church is to connect or join the church’s educational experience with the church’s worship experience. People of all ages who participate in church school study can find their Christian faith enhanced when the Scriptures read and proclaimed in worship reinforce and expand what they have been considering in their educational time. Education and worship can be mutually supportive in helping God’s word in Scripture come alive in the Sunday morning experience. Consideration of the same lectionary reading in preaching can deepen the insights gained in church school.

Pastors who want to build on what has been done in education welcome this *Feasting on the Word Curriculum* as a way to prepare congregational members for directions into which the sermon can lead. Those who participate in the education time will find the insights gained there enhanced by preaching which considers the same passage and brings God’s word to bear in fresh and nourishing ways. So as we “Join the Feast,” joining the church’s educational and worship dimensions can bring to life the richness of God’s word in Scripture.

CHILDREN'S BULLETIN

First Sunday in Lent

God's Promise to Noah based on Genesis 9:8-17

*Long ago, God looked at the earth,
no longer sure of what it was worth.
People there were full of sin;
They left no room for God to come in.*

*But Noah loved God with all his heart.
God said, "Noah, you must build an ark!"
His family went aboard to be the crew,
And animals came in two-by-two.*

For 40 days it rained and poured, and the earth was flooded. When the flood waters went down and the ark came to rest, God put a rainbow in the sky and said:

"When I send clouds over the earth, and a rainbow appears in the sky, I will remember my promise to you and to all other living creatures. Never again will I let floodwaters destroy all life. When I see the rainbow in the sky, I will always remember the promise that I have made to every living creature. The rainbow will be the sign of that solemn promise" (Genesis 9:14-17, Contemporary English Version).

Pretend that Noah found a way to make sure all the animals got on the ark. In the spaces below, write the order he loaded them using the last letter of one animal to begin the first letter of the next animal and so forth until all the animals are on the ark. (example: turtles - skunk.)
